

# TAFISA World Walking Day

## 6<sup>th</sup> October 2024

Be part of a global sporting movement. At 10am, all over the globe, people will be taking part in their sport and moving together

The IFAA invites every club and country to host an archery open day to start at 10am.

- Open up your club for a 'have a go' event
- Invite local community to see what your sport looks like
  - Host a club or inter club shoot

Let's take part in a global movement and get people talking about Archery

**TAFISA**  
**WORLD WALKING DAY**

# Letter to Member Associations

Dear IFAA member,

World Walking day was launched in 1991, providing a simple and fun way to be physically active and celebrate Sport for All against the global crisis of physical inactivity. Over 3 decades, millions of people hailing from over 160 countries have made a habit of walking together on the first Sunday of October, turning it into “World Walking Day”. In 2020, as the world faced a global pandemic, TAFISA realised the need to come together and show that the Global Sport for All Movement could stand strong and united during trying times. Thus, was born the idea of TAFISA World Walking Day – 24 Hours Around the Globe, the most inclusive and accessible 24-hour relay around the world. TAFISA World Walking Day is the most inclusive and accessible walk around the world. Over the past three decades, millions of participants have taken part in 160 countries. In 2020, tens of thousands from 65 countries joined us on this new journey, from Antarctica to the westmost confines of the American continent, going through Oceania, Asia, Europe and Africa on the way. (<http://www.tafisa.org/tafisa-world-walking-day>)

The IFAA would like to invite all member associations to take part in this years’ TAFISA World Walking day on 6<sup>th</sup> October 2024. The aim is to get as many people as possible out participating in physical activity around the world at 10am local time. The IFAA invites you to organise events that suit your own national organisations. This could be an organised ‘have-a-go’ day where clubs invite the public to try out the sport. It could be an open day for the public to visit your courses, or simple a friendly competition to get archers into the woodland.

Please let the IFAA know of your plans for the day so we can use the event to raise the profile of our wonderful sport. Photos and videos can be shared on social media with the hashtag [#worldwalkingday](#) and send them to us via email:
